

Coordinating care for patients across the healthcare continuum and into the community can be much like putting a puzzle together to meet the unique needs of our patients and their families.

Rome Health's Continuum of Care Department has developed this resource guide to provide patients with information about services and programs that may be needed for their continued recovery and well-being.

Although not all inclusive: the guide provides information for a broad range of services provided by Rome Health and our collaborating providers as well as community agencies that have supplied us with contact information.

Our Registered Nurse, Nurse Case Managers and Social Workers can help you with referrals and answer any questions that you may have. If you have any questions, please call 315.338.7131.

NATIONALLY RECOGNIZED FOR QUALITY

Rome Health achieves the highest standards of excellence

Our multi-disciplinary teams are dedicated to the continuous quality improvement. They work together to implement processes that support the consistent delivery of evidence-based care. Our efforts have been recognized locally and nationally.

- Rome Health is accredited by the Accreditation Commission for Health Care, Inc., which is authorized by Centers for Medicare and Medicaid Services to validate our compliance with federal standards.
- Our Residential Health Care Facility is proud to be rated a best nursing home by U.S. News & World Report for Short-Term Rehab for the fifth year in a row.
- Received the American Heart Association's Gold Get With The Guidelines® - Stroke quality achievement award for our commitment to ensuring stroke patients receive the most appropriate treatment.
- The Women's Imaging Center is a designated Comprehensive Breast Imaging Center by the American College of Radiology (ACR), the gold standard for excellence. The center is ACR accredited in mammography, stereotactic breast biopsy, breast ultrasound and breast MRI.
- American College of Radiology (ACR) accredits Rome Health for CT, vascular ultrasound, nuclear medicine services and expanded services for MRI to include body, spine, head, MRA and MSK.
- Recognized by Excellus BlueCross/Blue Shield as a Blue Distinction+ Center for Maternity Care.
- Recognized by Excellus BlueCross/Blue Shield as a Blue Distinction Center for Bariatric Surgery.
- Recognized by Excellus Blue Cross/Blue Shield as a Blue Distinction Center for Spine Surgery.
- The Sleep Disorders Center is accredited by the American Academy of Sleep Medicine
- The Community Recovery Center earned certification by the NY State Office of Alcoholism and Substance Abuse Services SUNYS Office of Addiction Services & Support, for its chemical dependency and outpatient services and added a Medication-Assisted Treatment program to meet community needs
- Boonville Health Center has been recognized by the American Heart Association and American Medical Association for its commitment to improving blood pressure (BP) control rates, earning Gold Plus-level recognition as part of the Target: BP™ initiative.
- Camden Health Center has been recognized by the American Heart Association and American Medical Association for its commitment to improving blood pressure (BP) control rates, earning Silver level recognition as part of the Target: BP™ initiative.
- Rome Health's bariatric surgery center is accredited by the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP®) for its uncompromising commitment to quality.
